Marsha Soto and my conversation! (Gaile aka Gaile Storm)

Wow! In the last two weeks I have spent about 10 hours looking for lost dogs, posting fliers etc. I just finished fostering my 4th set of puppies in the last 6 months. I have organized a donation drive and an online candlelight vigil. Talked to the Blanchard detective twice regarding the dog shooting there and contacted three groups about this shooting. On top of that I take care of a special needs child. I just got called a Monday morning quarterback because I want to help save further puppies from dying by putting them in rescue. Wonder what Tuesday mornings hold for me? Lol.

please don't answer questions for me. I told you that she had been loose under the house the last couple of days due to her

giving birth and she had them under the house and didn't want to move everybody till they all got cleaned up by mama and fed.

Thank You!

Marsha with all due respect I do not know you I have had everyone here in town on my ass, one person already quit and trashed me, some council woman was telling buffy that the cops were just on the site and that they were going to the City Manager and told them that they are being starved to death, and then I see you saying tonight for the candle vigel and then ppl start lighting candles. Then you tell some one that she was on a tie out that night?

Gaile Storm

Gaile Storm

08/07/2014 18:31

Gaile Storm

ok but I didn't say she was on a tie out and since it was under Nala's name they would think I said that and then I would contradicting my story.

It was too late to ask you to erase it

Marsha Soto

08/07/2014 18:33

Gaile Storm

08/07/2014 18:42

Gaile Storm

It doesn't matter what you think of me. You can't be saying things that are not ttrue on the page you just can't

Marsha Soto

08/07/2014 18:45

Marsha Soto

its over you did say sometimes she was out side on a tie out it was let people think she was tied up or running loose if that was  
the case then shame on the owner for letting her have her pups under the house in the first place tell me what do you want your  
supporters to think dog was legaly tied out or running loose preg

Marsha Soto

08/07/2014 18:47

Marsha Soto

you need to think about that real hard because a dog running loose is against the law and if she wasn't tied out them the cops will  
be justified in shooting her because she ws loos <---- IS MARSHA TELLING GAILE TO LIE HERE?

**[I WOULD JUST LIKE TO MENTION THAT NALA WAS ON HER OWN PROPERTY. FOR WHATEVER REASON  
NALA KEPT MOVING HER PUPPIES UNDER THE HOUSE REPEATEDLY AFTER THE CLARK'S WOULD  
BRING THEM ALL INSIDE. THEY FINALLY DECIDED TO LET HER NEST WHERE SHE WANTED, SHE WASN'T  
UNDER THE HOUSE WHEN SHE WAS PREGNANT]**
